Dear Parents/Carers

Firstly, the governors would like to wish you all a happy new year.

We are preparing to undertake a recruitment process to find a suitable replacement for Dr Fox. The governors feel that, in order to appoint the correct candidate for the role of Principal, it is important that the process is not unduly rushed. Therefore, we intend to start the process in the coming weeks, with a view to appoint a new Principal ready for the start of the new academic year in September 2018.

We feel it is vital, that during this period of transition for the school, stability and continuity is maintained. Therefore, the governors are pleased to announce that Mr Li-Rocchi has been given the position of Interim Principal from Monday 16<sup>th</sup> April 2018 – 31<sup>st</sup> August 2018.

This will also ensure that during the first few months of our partnership with OAT, we will have an Interim Principal who has been closely involved in the process thus far.

The governors and staff will give Mr Li-Rocchi, and the whole school, as much support as possible, as we are sure, will all of you.

We wish to congratulate Mr Li-Rocchi on this appointment.

Yours sincerely

Mr Peter Spencer

Chair of Governors

Dear Parent(s) / Carer(s),

A happy New Year to you – I hope you have had an enjoyable Christmas.

Most of you will be aware that the school will soon be undertaking a recruitment process to find a new Principal, following Dr Fox's appointment in his new role. The governors are currently deciding on the way that this process will work, and they will obviously take their time to ensure that their approach is thorough and carefully planned.

I have been formally asked by the governors to take the position of Interim Principal from 16th April – 31st August 2018. I feel privileged to have been offered this post, and had no hesitation in accepting.

The year ahead is set to be one of important and exciting change for Flegg High, both in terms of us becoming part of Ormiston Academies Trust (OAT) and the appointment of a new Principal. My focus during this period will be to lead the school in a manner that supports all Flegg pupils so they are given the opportunity to achieve success.

I look forward to continue and build upon my work with staff, students and families, and thank you for your continuing support of the school.

Yours sincerely,

Mr Ross Li-Rocchi  
Vice Principal
