Season 2 Episode 9

Friday 10th November

Another busy week at Flegg High School draws to a close, and as the temperature starts to drop, preparations for the festive season have continued apace.

The Jumble Sale last weekend was a tremendous success and just over £600 was raised for school funds. These events continue to be a great opportunity to welcome the community into the school, and they are sure to continue. So, if you have suitable items to donate for the next date then please do bring them into school.

This acted wonderfully as the warm-up for our annual Christmas Fayre, which will run this year on Saturday 18th November starting at 10am. There will be lots going on, with opportunities to buy gifts, enjoy musical performances and of course tuck into some mince pies. I hope to see lots of you there.

Sporting success has also continued this week, with our U15 girls' football team making it to Round 5 of the National Cup for the first time in their history with a 5-1 win over Sir John Leman. I'm sure you will join with me in wishing the girls best of luck in the next round.

Our choir journeyed to Norwich on Thursday evening to take part in the Choir Festival, which was a great opportunity for our students to sing as part of a choir of hundreds. They performed fantastically, and the audience had a great evening of entertainment. We may even get a repeat of one or two songs at the Carol Service on Monday 18th December if we are lucky!

Finally, it was great to welcome Year 7 students and their families into school on Thursday evening. These Parents' Evenings are an important point of contact, and a chance for families to speak to teachers about their child's progress. Do remember though, if you weren't able to attend, please do get in touch via email or phone to speak to subject teachers or form tutors.
